

LittleWeebLibrary.Handlers.  
IrcClientHandler.StartDownload

```
graph LR; A["LittleWeebLibrary.Handlers.  
IrcClientHandler.StartDownload"] --> B["LittleWeebLibrary.Models.  
JsonDownloadInfo.ToString"]; A --> C["LittleWeebLibrary.Handlers.  
DebugHandler.TraceMessage"]
```

The diagram illustrates a single source node on the left, which is a gray rectangle containing the text 'LittleWeebLibrary.Handlers.IrcClientHandler.StartDownload'. Two blue arrows originate from the right side of this node. The top arrow points to a white rectangle on the right containing the text 'LittleWeebLibrary.Models.JsonDownloadInfo.ToString'. The bottom arrow points to another white rectangle on the right containing the text 'LittleWeebLibrary.Handlers.DebugHandler.TraceMessage'.
